### PRESS RELEASE 2012 - 100

The Director of the Department of Public Health & Social Services would like to announce that the Guam WIC Program is temporarily relocating services provided by the Mangilao WIC site by combining it with the Tiyan WIC site starting Saturday, January 7, 2012 until further notice.

The relocation is due to computer problems at the Mangilao site which are causing disruption of client services. All Mangilao WIC site clients should go to the Tiyan WIC site at their assigned appointment time for service. The phone number for the Tiyan WIC site is 475-0295/96/90 if you need to contact someone for directions. The Tiyan WIC site is also open from 8 am to 6 pm Monday through Friday and also 8 am to 12 pm on Saturday (except holidays). WIC clients without appointments will be provided services as time allows so call first in order to assess the anticipated waiting time before you plan to visit the Tiyan WIC site. WIC clients who may prefer to call to reschedule a missed appointment can do so at the Tiyan WIC site.

For more information call David Gumataotao at 475-0300 or Thelma Ramoso or Stephen Weiss at 475-0414/0290.
